

Prime Office Building

Prague 4 Pankrác, Lomnického 1742/2a

The Prime Office Building is a modern office building that offers not only modern office space with a total area of approx. 7,200 sqm on seven floors, but also a very flexible and variable interior layout that allows tenants to adapt the space to their needs. The all-glass facade ensures plenty of natural light and offers beautiful views. In addition, from the four floors there is access to the terraces, which you will appreciate. The building is perfectly connected to the surrounding nature, and the landscaping around the building ensures a pleasant working environment for tenants. The materials that were used in the construction are original and of high quality, for example copper, travertine, and wood, processed in different surface treatments. Overall, this building is ideal for anyone looking for modern office space that meets the highest standards: copper, travertine, and wood, processed in various finishes. The park arrangement around Pankrác Prime is not only suitable for relaxation, but also completes a pleasant working environment for tenants.
