

NR7

Prague 1 Staré Město, Náměstí Republiky 7

As part of the reconstruction project of the historic building **NR7**, located in the center of Prague on the corner of Královodvorská street and Náměstí Republiky, modern and above-standard office and business premises with high potential for use will be created. This unique building was built in 1905 according to the design of the architects Adolf Foehr and Alfons Wertmuller in the neoclassical style as a bank building and consists of 10 floors, 2 of which are underground. It stands out not only for its historical value, but also for its advantageous location in an extremely frequented and highly visible area.
