

Pekařská 16 a 14

Prague 5 Jinonice

In the administrative buildings **Pekařská 16** and **Pekařská 14** you will find modern office spaces that you can use as individual offices or as part of the open space concept. The floors can be divided into 2 separate units with their own entrance, social facilities, and a fully equipped kitchen.

The building is equipped with a central reception with 24/7 access and building security. Access to the building is possible using magnetic cards. There is a professionally renovated canteen for your comfort. In the offices, openable windows and external blinds can be controlled using electric controls. Suspended ceilings and double floors provide a quality environment for your work. The air conditioning of the premises is fully adjustable with its own gas heating with a thermostat. An internet data connection is available in the building.

For the convenience of tenants, outdoor bike racks and a shower are available right in the building. The outdoor parking lot offers enough parking spaces within the building. Prepare for a work environment that suits you and supports your business.
