

Factory Office Center

Prague 5 Smíchov, Nádražní 32

The administrative building **Factory Office Center** offers modern office spaces that fit perfectly into the traditional industrial development of Smíchov. The campus has convenient and variable accessibility, thanks to the access road to the Southern Highway and several urban and suburban transport options. The complex of office buildings is located above the entrance to metro B - Smíchovské nádraží, directly opposite Smíchovské nádraží and connects to Anděl metro station. FOC is the last stage in the transformation of the former industrial area of Radlické mlékárny into an attractive administrative unit located in the center of Prague.
