

AGEL Tower

Prague 5 Košíře, Vrchlického 1350

AGEL Tower is a modern administrative building located in Prague 5 – Košíře. This eight-story structure, with a triangular floor plan and glass façade, is inspired by the winding Plzeňská street, which follows the path of the Motol stream. The building features three underground floors and eight above-ground levels.

We offer fully furnished top-tier office spaces in this recently completed building. The spaces are immediately available and equipped with luxurious interiors and modern furniture. The building provides air conditioning, network wiring, relaxation zones, a dedicated reception, a restaurant and café on the ground floor, and underground parking with elevator access to all floors. Additionally, there is 24-hour security and main reception service.

Currently available office spaces:

1st floor, 763 sqm (fully newly furnished offices, can be divided into two halves)

2nd floor, 757 sqm (fully newly furnished offices, can be divided into two halves)

Rental price:

Offices: 16 EUR/sqm/month
